

Oakdale Christian Academy

Oakdale Emory United Methodist Church
3425 Emory Church Road
Olney, MD 20832
301-774-5369

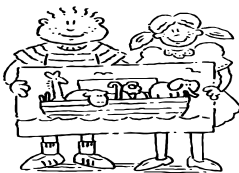

Our full-day kindergarten experience provides a complete educational program in a Christian school environment. Our goal for each student is to excel in every aspect of life and develop Christian values and skills that will prepare them to be successful and productive members of society.

Philosophy & Goals

At Oakdale Christian Academy (OCA) we believe that every student is an individual who has been blessed by God with special gifts of personality, intellect, physical ability and individual talents. The environment and experiences that are provided at Oakdale Christian Academy are designed to nurture these God given abilities, while assisting each student in achieving excellence and learning to live and work in harmony with others.

It is the goal of OCA to assist each student in attaining academic excellence in an accepting and safe Christian environment. This will be achieved through the use and development of language skills and the development of the mind in problem-solving situations that involves the application of a challenging educational curriculum. Challenges will continually be provided in language skills, mathematics, science, social studies, history, health, physical education and the fine arts. Dedication and commitment to this educational process is expected of all who are involved in the program; students, faculty and parents.

Our Staff

OCA staff is highly qualified and meet the standards as set forth by the Maryland State Department of Education. The teacher has a four year degree and is required to participate in continuing education in the field of Early Childhood.

Kindergarten Class

Our kindergarten class is available for children who will be 5 years old by September 1st of the 2008– 2009 enrollment year. The gender balanced class will operate with a total of 14 children. There will be one teacher and one teaching assistant working within the classroom setting.
