January 2009

Dear Parents,

Thank you for your interest in the Oakdale Christian Academy for the 2009- 2010 school year. Our full day kindergarten program offers students academic excellence in a nurturing and safe Christian school environment. Over the past few months, we have had numerous inquiries about our kindergarten program from our current preschool population, alumni/church members, and community members. Enclosed are kindergarten admissions information, student application, open house visitation information, and registration materials for the Oakdale Christian Academy.

Parents interested in the Oakdale Christian Academy should plan to attend an upcoming open house session. At this time, parents will have an opportunity to learn more about the kindergarten experience ask questions about our program and can schedule to visit the kindergarten classroom. Once you have attended the Open House, parents are invited to pursue the registration process. Application should be returned, along with a \$100.00 application fee. This fee is non-refundable, but applicable to tuition, if accepted to our kindergarten program. Please make arrangements for the Student Evaluation Form to be completed by your child's current teacher if he/she is currently enrolled in a preschool or PRE-K program. Forms should be mailed directly to the school. Our kindergarten class of 14 students will be gender balanced to assure healthy social interaction among peers.

Parents will be notified of acceptance after careful review of the registration form and student evaluation form, and payment of application fee. Upon notification of acceptance, a \$500.00 tuition installment is required to secure your child's placement in the Oakdale Christian Academy for the 2009- 2010 school year. Letters of Acceptance will be mailed by February 17, 2009.

Should you have any questions about the kindergarten program or application process, please feel free to contact the office.

Wishing you God's Grace and Blessings,

Susan Borst, Director
